

A mouthguard is essential for protecting teeth when playing sport. Only a professionally molded custom made mouthguard will guarantee the best protection from impacts.

Playsafe Mouthguards are the only custom made mouthguards **recommended by Australia's peak sporting body, Sports Medicine Australia.**

Playsafe Mouthguards also include up to **\$2000 dental trauma cover and health fund rebates are usually available** (customers should check with their fund).

For more information or to order your Playsafe Mouthguard for 2011 please go to www.playsafemouthguards.com.au
