6. Students' capacity Participating students have the capacity to undertake the excursion as evidenced by the student health care plans and information.					<input checked="" type="checkbox"/>
Details: Team members have been selected as sporting representatives according to the published team selection policy, their skill level and attitude, and have been identified as the best students available to represent the State. Information relating to the team member's health is required from parents. Students' fitness and health is monitored throughout training and competition and if there are any concerns, medical attention is sought.					
7. Supervisory Team An appropriately qualified supervisor, a suitable supervisory team, supervision strategies and a system for identifying excursion participants, have been established. Supervision strategies have been established with the supervisory team. Systems for identifying excursion participants have been established.					<input checked="" type="checkbox"/>
Details: The supervisory team has been appointed because of their expertise in their particular sport as well as being familiar with Department of Education and SSWA rules and guidelines for a touring team. All Team Officials who are teachers are registered with the TRB with WWCCs. Officials who are not teachers have a WWCC. Officials are made aware that they are required to be on duty for the duration of the excursion. For Swimming and Diving, appropriate recognised qualifications are held as described in the Recreation and Outdoor Ed Activities in Public School Procedures. Gender balance is taken into account when appointing officials. Each state team will have a minimum of one adult to ten team members. Larger teams may be allocated additional officials. A minimum of three officials travel with each team. Mixed gender teams will have mixed gender supervision. Students will generally be under the direct supervision of team officials. However, there may be occasions such as visiting a shopping centre or in accommodation settings where this may not be possible. On such occasions specific strategies including remaining in small groups, mobile phone contact, check points and room checks will be implemented.
