

SSWA POLO SHIRTS

The painting is of the 8 regions of Western Australia. The Kimberley, the Pilbara, Gascoyne/Midwest, Wheatbelt, Goldfields/Esperance, South West, Great Southern and Perth/Peel.

School Sport Western Australia has trained and recruited student athletes from all the State. Many have become elite athletes in their sport and many have become international champions both individually and in teams.

The swan is the State emblem also known as the Maali in Nyungar language. The circles around and inside the swan are the groups of athletes in each region. The lines that connect each other shows the sportsmanship and pathways that they have travelled to represent their State and become the best athlete that they can be.
