AFL FOOTBALL

Sport Coordinator: Ian Temby
0407 083 683
iantemby2@optusnet.com.au

Venue: UWA Sports Park

Rules & Guidelines: AFL FOOTBALL (BOYS)

- A standard league football will be supplied by each competing team.
- The first named team will be "home" team and the second named team the "away" team.
- Players are to wear numbered school jumpers. Where possible, black or coloured shorts are to be worn for home games, white shorts or coloured for away games. Correct socks must also be worn.
- Note: If two schools have the same or similar jumpers, then an alternate set of jumpers can be made available through the SSWA office. This will be an "away team" responsibility. Please look at the uniform register when it becomes available and determine need.
- Start and end-of-game acknowledgments:
 - The home team lines up in the centre of the ground and waits until the away team lines up opposite. Players are then to shake hands, including coaches, before and after games.
 - At the completion of the game each team captain will call his team to give 3 cheers to the other team.
- Points for games:
 - Maximum points a winning team can earn are 6 points; i.e. 4 points for win plus 2 points for behaviour (awarded by umpires).
 - Losing team could still earn 2 points for behaviour, 0 for loss.
 - Any player who is excluded from the game by the "red" card presentation automatically loses 1 point for team.
 - Coaches may also be penalized points for contravening the codes of conduct. This penalty will be decided upon by the umpire or coordinator.

Note: If a point or points are lost because of behaviour unbecoming then the offending person and/or coach will be required to meet with the coordinator immediately following the match in company with the umpire.

- AFL teams will have a duty roster to supply boundary and goal umpires for a match other than their own. Each school must provide two goal umpires and two boundary umpires (clad in neutral gear), and of goal flags. SSWA will provide a coat or vest for the goal umpires. Any issued items must be returned to the coordinator immediately at the games conclusion. This duty would be allocated either before or after your daily match and each school would get multiple duties during the week similar to Volleyball.
- The home team is to supply a timekeeper who will have a siren or bell. If the away team wishes to have a timekeeper as well they may do so.
- Misconduct - A uniform system of procedures will apply across all sports. (See Section 4 this booklet)
- Playing times - 25-minute halves; 8 minute half time. [Note: Games must start and finish on time]
- The competition will be decided in two parts.
 - a) Qualifying rounds to decide finals ranking:
 - Most number of points;
 - Successful team in previous clash;
 - Percentage for participating teams in contention; then
 - Overall percentage
 - b) Finals result:
 - Direct result; then
 - Team who finished higher after qualifying rounds.
- "A" division will be an 18 playing member competition **if there are at least six nominating teams** and all other grades will be a 15 playing member competition. During any single contest the nominated number of playing members and 4 interchange comprise a team. Students in Year 8 & 9 are not permitted to play
- Forfeits on the final day are not acceptable. Teams must finish the scheduled program

Note: Any suspension that is imposed during the final day's play will be carried through to the local community competition.

- Player Even Up Rule
 - Teams require a minimum of 12 players for the 18 a side Division and 9 players for the 15 a side Divisions
 - The even up rule will apply when one or two teams have less than 18 players for A Division or 15 players for other Divisions
 - An even up number of players from both teams are to start the match on field; and must be on the field at all times except if a red or yellow card is issued. Once the 15 minute penalty for the red or yellow card has been served then an even number of players from both teams must be on the field
 - If a player is injured and the team has no player to replace the injured player, the opposition team must even up immediately
 - If a side can only field between 12 and 17 players [A Division] or 9 and 14 players [other divisions] the coach with the greater number of players must offer all additional players to the lesser numbered team up to a maximum of 18 or 15 players per team; and
 - Players must be rotated so that no single player plays more than 1 half per match for the opposition team
 - Any team that refuses the even up provisions will be deemed as losing the game and forfeiting any points and percentages earned during that game

Rules & Guidelines AFL FOOTBALL (GIRLS)

- A size 4 leather game football will be supplied by each competing team.
- The first named team will be "home" team and the second named team the "away" team.
- Players are to wear numbered school jumpers. Black or coloured shorts are to be worn for home games, white shorts or coloured for away games. Correct socks must also be worn.
- Jumper subsidies are available to schools that do not have a female set of football jumpers. Teachers in charge can apply to their Regional Development Officer or contact the WAFC for assistance with this. If ordering through Burley jumper designs/colours must be ordered no later than the end of May to receive the set by late June.
- Note: If two schools have the same or similar jumpers, then an alternate set of jumpers can be made available through the SSWA office. This will be an "away team" responsibility. Please look at the uniform register when it becomes available and determine need.
- Start and End-of-game acknowledgments:

- Forfeits on the final day are not acceptable. Teams must finish the scheduled program
- Rules are those for 16 - 18 Years Youth Girls according to the AFL Junior Policy. The one key difference to the Laws of Australian Football is that there will be no kicking of the ball off the ground (soccering) unless deemed accidental.
- The winning school will receive the Cathy Vander Weide Cup

Note: Any suspension that is imposed during the final day's play will be carried through to the local community competition.

- Players are not to participate in any match while wearing any item of jewellery, which might prove dangerous. Long or sharp fingernails are to be trimmed or taped.
- All Players are to wear an identifying number, not less than sixteen centimetres (16 cm) in height, clearly displayed on the front OR rear of the upper garment. Numbers may be positioned on both sleeves as an alternative providing the numbers are not less than eight (8) centimetres in height. No two players of the same team may wear the same number. Players may, in conditions of cold weather, wear additional clothing providing colours and numbers are displayed.
- Schools are reminded to have an alternative set of coloured shirts in case of team colours clashing.
- In the event of a uniform colour clash the first mentioned team to have choice of playing strip colour.
- A Team consists of a maximum of fourteen (14) players, no more than six (6) of who are allowed on the field at any time. There must be a minimum of 3 girls on the field at all times. **RULING** - A penalty awarded to the non-offending team at the position of the ball at the time the offence is identified.
- Players may substitute at any time in accordance with the interchange procedure. There is no limit to the number of times a player may interchange. All interchanges must be made on the one side of the field and without delay. Physical contact does not have to be made between interchanging players and players leaving or entering the field shall not hinder or obstruct play and must enter from an onside position. Following the scoring of a touchdown, players may interchange at will without having to wait for the substituted player to enter the interchange area. **RULING** - A penalty awarded to the non-offending team five (5) metres infield from where the substituted player left the field or where the substituting player entered the field, whichever is the greater advantage.
- Each school must provide a scorer. Scores should be checked at half-time with the other scorer and the referee to agree scores are accurate. The scorecard should be signed at the end of the game to verify result by the teacher or school rep. If a scorecard is unsigned when returned to results table the score will stand as recorded on scorecard. Any unresolved dispute over scores should be reported to the results table immediately following the game with supportive evidence and representatives of both teams.
- Playing times. Two 20 minute $\frac{1}{2}$ s, with 5 minute break at $\frac{1}{2}$ time. When time expires play continues until the ball next becomes dead. Should a penalty be awarded during this period, the penalty is to be taken.
- **Dismissals.** Any player may be dismissed as follows: (a) Period of Time. A player dismissed for repeated infringements or any offence requiring more than a penalty is to move from the field of play and remain in a position midway along the team's touchdown zone line and no closer than five (5) metres to the touchdown zone line. The dismissed player cannot be replaced. (b) Remainder of Match. A player dismissed after any previous 'Period of Time' dismissal, or for an offence such as gross misconduct or a dangerous act is to take no further part in that match and is to move to and remain not closer than ten (10) metres from the score line. The dismissed player cannot be replaced and that player shall receive an automatic two (2) match suspension from all matches conduction by any affiliated Touch Association. Two (2) matches refers to the period of time it takes for two matches to be completed by the team in the division from which the player was suspended.
- **All Games will be timed by the referee or designated timekeeper**
- Captains should report to the Referee when instructed for the coin toss (at least two minutes before start of game)
- Six points will be awarded for a win, four points for a draw and two for a loss. Behaviour points may be lost for unacceptable behaviour.

2.9 ADULT UMPIRES/REFEREES

SPORT TEAM LISTS

All teams are required to submit a team sheet for each match. A record needs to be kept of each player playing in each match.

2.10 PARTICIPATION IN MORE THAN ONE TEAM

*Students will be allowed to participate in a maximum of **two** different sports during the week on the provision that no game is forfeited because of a double commitment. **Students cannot play in two teams within one sport.** Student names **must** be recorded on the team sheet prior to the commencement of the game.*

*In addition to above, players **must play at least 2 games** for a team **to qualify** for the finals on the last day. Players may **only play in one final game on the last day** of Country Week. Only with approval from the Sport Coordinator in exceptional circumstances will players may be permitted to play in 2 finals.*

The following sports are required to submit a team list ONCE at the start of the week: Basketball, Netball, Volleyball, Dance and Speech & Debating. Teams names for each match are then written on the scoresheet for each match.

The other sports must submit a team sheet for each match.

I suggest that schools prefill these prior to Country Week and print multiple copies for use during the week.
