MEDICAL PROVISION

A qualified sports trainer will be at each venue to cater for injuries sustained. This person is not an all-purpose strapper unless there is a genuine need for injury treatment. Schools are requested to adequately provide for their own immediate ongoing medical needs by the provision of first-aid equipment, including ice. Provide your own strapping. Emergency strapping will be available (\$4/treatment) for injuries sustained during the course of games. Should you require additional strapping it must be purchased from the medical station. A coach/team manager must accompany competitors when they attend the on-site sports trainer. St. John's Ambulance has been notified of the event.

Team coaches are responsible for the wellbeing of their team and all minor injuries are to be handled by the team coach. Should the need arise, all arena managers will consider medical problems a priority, and have phones to arrange further treatment or to call an ambulance. All team managers will have contact numbers for local practitioners. Please ensure all team managers and coaches have a copy.

Schools are required to provide their own ice sufficient for their own needs. Sports medicine will have ice available for injuries that are attended to at their location.

BYLAWS

2.1 LEVIES

- All schools have been invoiced **\$55** per student based on minimum team numbers for each sport.

2.2 UNIFORMS

- All schools will be required to wear a team uniform.
- Team uniforms must be appropriate to the sport and includes suitable footwear.
- It is essential that all schools take particular care over their presentation as this event acts as a showcase for best practice in sport.
- A team register will be developed that lists team colours.
- In the event of a colour clash schools should endeavour to bring alternate tops.

2.3 RESCHEDULING FIXTURES

- If, after perusing your fixtures, you identify any anomalies please contact the SSWA office, so that the problem can be addressed.
- SSWA has the right to reschedule any fixture due to unforeseen circumstances.

2.4 PARTICIPATION IN MORE THAN ONE SPORT

Students may only nominate in one sport. If necessary, in consultation with the Sports Coordinator and opposing coach/es, students may be included in a second sport on the proviso that no game is forfeited because of a double commitment. A student cannot, play in 2 teams of the same sport (e.g. cannot play in two netball teams) unless there is no other option. Each situation will be considered on a case by case basis, with player welfare and participation being the main priority.

2.5 STUDENT IMAGE

Schools are reminded that unauthorised reproduction of student or staff image is illegal. If schools are aware of any student who has indicated a restriction on photos or images they are required to inform the SSWA office in writing and also indicate the situation to any SSWA official photographer.

2.6 MOUTH GUARDS

All students are strongly advised to wear a mouth guard when involved in training and competition.

2.7 LATE ARRIVAL TO GAMES

Teams will receive a 5-minute grace period with no penalty. After which penalties will apply. See specific sports for details. In the event that a team arrives more than halfway through the allocated fixture time re-scheduling or forfeit will be at the Sport Coordinator's discretion.

2.8 MERCY RULE

In keeping with the spirit of the event when a team is clearly dominating the opposition team the coach must employ strategies to ensure the game's margin does not increase excessively. See sport bylaws for suggested strategies. In the event that the Mercy Rule is invoked it must be indicated on the scorecard by the umpire and the maximum margin will be the specified margin for the respective sport, with the losing team's score being recorded and the mercy rule margin being added on and listed as the winning team's score.

SCORING SYSTEM

All sports will be awarded two behaviour points as a credit and will retain them win lose or draw unless a player/players is/are red carded. In that case they will lose a behaviour point for each person to a maximum of two points.

- Teams may be nominated as boys or mixed teams.

There will be a 5 minute grace period after which two points for every one minute late will be awarded to the opposing team.
- **Mercy rule:** Will be invoked when a team is leading by 30 pts the leading team **must** play half-court defence. Some other suggested strategies include:
 - Instruct players to dribble with non-preferred hand only
 - Instruct players to lay up and where possible shoot non preferred hand only
 - Play defence at least an arm length away
 - No double-teaming players
 - All players to handle the ball in offense prior to shooting
 - Sub and rest stronger players – this will allow other players to strengthen and improve
 - Playing 4 players when the opposition has 4 players
 - Select one player to sit out then rotate until all team has been on the bench
 - Most importantly – be a good sport and role model to not only your players, your school and yourself but to the others – you never know you may be coaching on the other side one day.
- Each team will supply a scorer.
- In mixed teams, there must be a minimum of **TWO** players of each gender on the court at any one time. Play short if condition cannot be met.
- Sanctions

 - The referee must submit a written report to the coordinator.
 - The offending player and coach must meet with the coordinator as soon as possible after the game in which the offence has occurred.
- The competition will be decided in three parts:

A Grading Round Robin will take place over the first day and a half of competition, then

 - the successful team in the previous encounter will receive priority; and

GRADING GUIDELINES

Background

The principle purpose of this event is to provide country students with the opportunity to participate in peer competition in an educational context. It is not the event philosophy to “win at all cost” but rather to compete in a friendly environment that provides equity of opportunity for all.

Special Notes:

- Basketball, Netball, Badminton and Volleyball teams are required to nominate their anticipated grade. The grading days will be used to confirm final grades [A, B, C, D, E – subject to nominations]

COACHING CLINICS

Coaching Clinics for badminton, hockey and volleyball will be held on Monday morning prior to the competition beginning. It is an expectation that coaches will assist the presenters. Games will commence after the clinics. *Please note that no coaching clinics will be conducted for basketball, Futsal or netball.*

SPORTSMANSHIP AWARDS

This team award acknowledges good sportsmanship in each sport. The team will exemplify the spirit in which Country Week competitions should be played. It is not the event’s philosophy to “win at all cost” but rather to compete in a friendly environment that provides equity of opportunity for all. It is an award to acknowledge a school team who leads by example and demonstrates through their attitude and behaviour the qualities and conduct of fair play. The award will recognise teams that display fairness, honesty, politeness, respect for the rules and for other players during the week of competition. Sport Coordinators, Umpires and Coaches will vote for the schools they deem to have displayed exceptional Sportsmanship for the week. An award will be presented in each grade for each sport at the Closing Ceremony.

PARKING

Schools are requested to follow the parking plans listed below. Please ensure that the parking plan is provided to all bus drivers/companies and that parents are also advised.

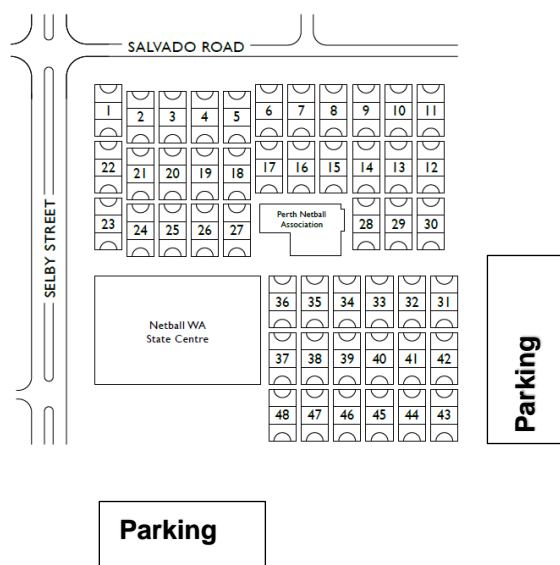

The Town of Cambridge will not allow buses to line up on Underwood Avenue at anytime during the event. As a result the parking arrangements outlined for the WA Basketball Centre listed below will be used for the opening ceremony.

Bendat Basketball Centre (Below Left)

Buses will NOT be permitted to park on Underwood Avenue during the week of the event. Schools are requested to drop students off at the venue and park buses elsewhere. Cars may park in any of the bays located in front of the Centre.

Matthews Netball Centre COURT PLAN

Gold Netball Centre (Above Right)

Buses may park in the car park, longways near the bush side, or smaller vehicles can park in the parking area outside the State Netball Centre

Please note: * 'No parking' signs will be placed prominently around venues and must be observed or it is likely that parking fines will be imposed.

Lords Recreation Centre

School bus pick up and drop off

The carpark at Lords is not designed for large buses (upwards of 30 seats). The corners are very tight and once the bus enters from Mouritzen Way, it can be challenging to turn around to exit. Under normal circumstances, the bollards on Hay Street (east bound) can be lowered to allow buses to enter and drop students off. Unfortunately, these are out of order at the moment and cannot be lowered.

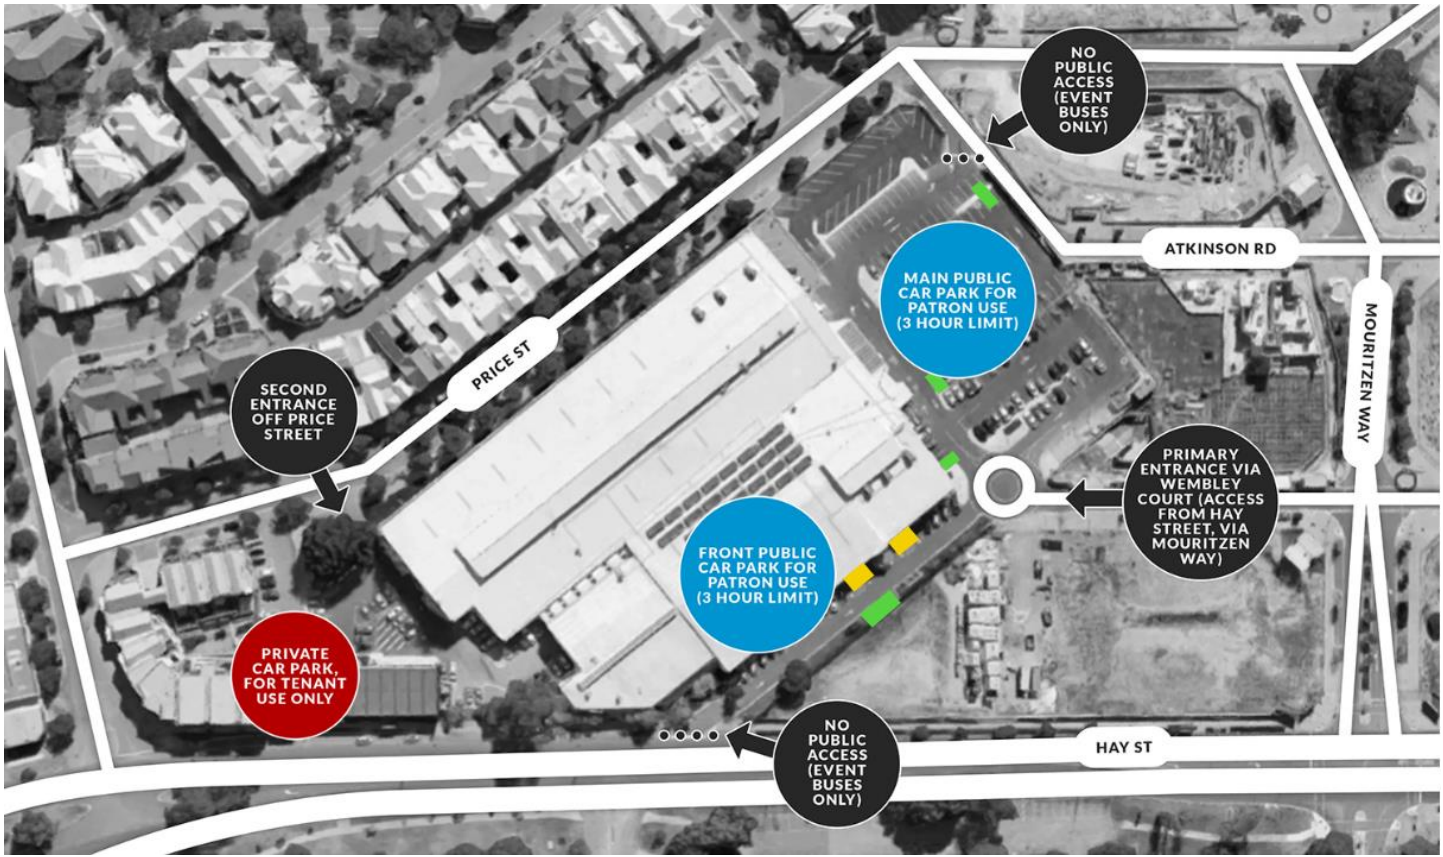

Coaster buses (less than 30 seats)

- Enter off Hay Street onto Mouritzen Way
- Turn left onto Wembley Court and navigate into the carpark
- Coaster buses may park in the carpark (3 hour limit) if 2 normal sized car bays or less are taken up

Large buses (more than 30 seats)

- Enter Tighe Street from Hay Street (east bound)
- Turn right onto Price Street
- Pull over where safe along Tighe or Price Streets to allow students to get off the bus and walk (accompanied by a teacher) to the front door
- Continue on Price Street and turn left onto Mouritzen Way
- At the lights, turn right onto Hay Street (west bound) towards Selby Street
- Turn right onto Selby Street and park at Mathews Netball Centre

We encourage the bus drivers to consider their route prior to the day. If you have any further questions about this, please feel free to reach out to us on 6229 6600.

3. Coordinators Report

• General –

- Thank you for your patience, particularly in the lead up to Country Week.
- We were happy with the way the 3 days went but we are mindful that there was a lot of extra pressure on school staff and our Sport Coordinators during the event.
- We did have difficulties with getting Umpires / Referees and Sports Trainers but got through.
- If anyone has any photos of their Active Achievers and/or Service Award recipients receiving their certificates could you please send them through to me.
- Apologies for the Officials Handbook not getting out in time. With the change from 5 to 3 days and the associated things to get completed in time as well as waiting on some School Information it hindered the process of getting this completed.

• Grading – Netball and Basketball only. Feedback

- Netball – how did they grade? Schools have difficulties nominating grades; more flexibility needed; potentially meet with coaches after grading rounds to discuss ups and downs.
- Basketball – Mercy rule (D grade division); Important that the coaches are spoken to in regard to grading moving forward.

Importance of Coordinators being pro-active along with coaches talking to Coordinators

OUTCOME: Potentially coaches meeting at the end of the 1st rounds or at the end of day 1.

Dale: Students enjoyed that there were lots of games on. Look at making the DHS CW a 4-day Event. Making the Friday return less stressful. Opening Ceremony is important but really enjoyed the intimate ceremonies at the end with each sport.

Braydon: Agreed with Dale in regard to a 4 day comp and a relaxed trip home on the Thursday. Enjoyed more games even with early starts.

Petrina: Agreed with Dale's thoughts on the length of the week. Important that we have an Opening Ceremony but is happy with the sport specific award ceremonies.

Monique: Enjoyed more games but were disappointed that they didn't really get an opportunity to watch each other. Agreed with the Opening Ceremony continuing.

Tabatha: Idea of 4 day comp is a good idea. Students missed not having the Opening Ceremony.

Peter: Swimming WA flagged the possibility of a swimming meet. Potentially A Tuesday evening event. To be discussed with regional reps.

 - iii) set a good example
- Be consistent, courteous and helpful toward all participants.
- Use common sense to ensure that the 'spirit of the game' for children is not lost by overcalling violations.
- Ensure that adequate supervision is provided by qualified and competent coaches and officials capable of developing appropriate sports behaviour and skill technique, and that these officials are given the opportunity to improve their coaching and officiating.
- Remember that children play for enjoyment, downplay the importance of rewards.
- Avoid allowing children's sports programs to become primarily spectator entertainment. Focus on the needs of the participants rather than the enjoyment of the spectators.
- Distribute a Code of Behaviour sheet to spectators, officials, parents, coaches, players and the media, and take other positive steps to ensure people understand their responsibilities regarding fair play in children's sport.

Media Code of Behaviour

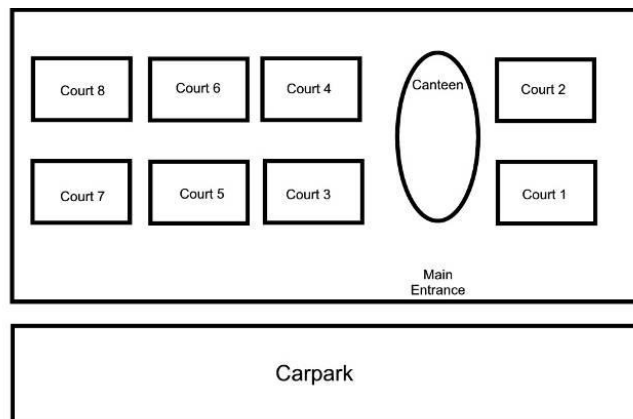

- Provide coverage of children's sport as well as reporting adult sport.
- Be aware of the difference between adult's sports programs and children's sports programs.
- Children are not miniature professionals and adults should not place unfair expectations upon them.
- Place in proper perspective the isolated incidents of unsportsmanlike behaviour rather than make such incidents the "highlight" of the event.
- Focus upon children's fair play and their honest effort.
- Identify and report on the benefits of children participating in sport.
- Be aware of the difference between the goals of amateur sports and those of professional sports. Make the readers, viewers and listeners aware of these differences. Make it clear that the professional is an entertainer and wage earner and this, on occasions, may be reflected in the professional athlete's behaviour.
