FIFA WOMEN'S WORLD CUP 2023 VOLUNTEER OPPORTUNITIES

FIFA is reaching out to share an exciting, once-in-a-lifetime opportunity for eligible students and members of our community to [volunteer at the 2023 FIFA Women's World Cup for our five matches in Perth/Boorloo](#).

Students need to be aged over 18 by 1 June 2023, which I know will be a certain percentage of your older students, but it's still worth it for those who are in the frame.

Applications will only be open till the end of March because we very quickly reached 100% of applications. As part of the legacy of the tournament we are keen to ensure our local community can get a chance to be involved, so that is why I am reaching out to you so we can connect students to what will be a very special global event.

Please see below all information which you may like to pass onto the students/parents around volunteering opportunities for the 2023 FIFA Women's World Cup.

Dates for the games in Perth/Boorloo are between 20th July – 3rd August 2023. There are training and shift opportunities in the evenings which would suit around school schedules.

If folks head to the following website, <https://www.fifa.com/fifaplus/en/articles/womens-world-cup-australia-new-zealand-volunteer-programme-open>, scroll down to see what roles are available they can filter through and apply should they wish.
