

Only full-time enrolled students may represent their bona fide primary academic institution within Western Australia that offers a general education curriculum, with entry qualifications not related to sporting achievement, shall be eligible to compete.

In the event of entries exceeding the number of places available in the Championship (104 with a field split of 40 participants in the stableford division and 64 in the modified stroke division), in order to ensure fair opportunities for all a ballot system under the following process will be actioned. This process is based on the principle of ensuring inclusivity by ensuring the maximum number of different schools have the opportunity of participating in the event:

1. Based on 3 players per team entries from 34 different schools can be accepted however this number may increase if the minimum of 2 players per team are entered.
2. Any multiple/additional teams from any school will be accepted up to a maximum of 3 teams.
3. Any multiple/additional teams above these 3 teams will be accepted on availability and balloted on aggregate handicap of the players within this team.

Unsuccessful entrants will be informed without delay and given the opportunity to compete if withdrawals subsequently occur. Entrance fees will be refunded to those who are balloted out and do not compete.
