SCHOOL SPORT WA

CENTRAL COASTAL GROUP- WASSASA PRIMARY SWIMMING CARNIVAL

Wednesday 24 April 2024
HBF Stadium – Outdoor Pool
10 am – 2.10 pm

BACKGROUND

The Primary Schools' Swimming Carnival was re-introduced by School Sport WA in 1988 when six schools competed at Beatty Park. The move to Challenge Stadium (now HBF Stadium) in 1997 enabled schools and participants to utilise the improved technology and in particular the chance to appreciate swimmer times presented on the electronic display board at the conclusion of each race.

We welcome all Central Coastal Group schools to the competition and wish them every success.

ACKNOWLEDGMENTS

- The assistance of the HBF Stadium staff is gratefully acknowledged.
- Any event such as this would not be possible without the support of volunteer officials. Their effort, the work of the dedicated teachers and coordinators in the preparation of the school swim teams is highly commended.

During the turn the shoulders may be turned over the vertical to the breast after which a continuous single arm pull or a continuous simultaneous double arm pull may be used to initiate the turn. The swimmer must have returned to the position on the back upon leaving the wall.

- 3 Hands shall be pushed forwards together from the breast and shall be brought back on or under the surface of the water. The elbows shall be under water except for the final stroke before the turn, during the turn and for the final stroke at the finish. The hands shall not be brought back beyond the hip line, except during the first stroke after the start and each turn.
- 4 During each complete cycle, some part of the swimmers head shall break the surface of the water. After the start and at each the swimmer may take one arm stroke completely back to the legs. The head must break the surface of the water before the hands turn inward at the widest part of the second stroke. A single downward Butterfly kick followed by a breaststroke kick is permitted while wholly submerged. Following which, all movements of the legs shall be simultaneous and in the same horizontal without alternating movement.

- 5 In the leg kick, the feet must be turned outwards during the propulsive part of the kick. A scissors, flutter or downward butterfly kick is not permitted except as in 4. Breaking the surface of the water with the feet is allowed unless followed by a downward butterfly kick. in the backward movement. Movements in the form of a 'flutter kick' or 'dolphin kick' are not permitted. Breaking the surface of the water with the feet is allowed unless followed by a downward movement in the form of a 'dolphin kick'.

A breaststroke kicking movement is not permitted. Simultaneous up and down movements of the legs and feet in the vertical plane are permitted. The legs and feet need not be at the same level, but no alternating movement is permitted.
- 4 At each turn and at the finish of the race the touch shall be made with both hands simultaneously, at, above or below the water surface.
- 5 At the start and at turns, a swimmer is permitted one or more leg kicks and one arm pull under the water, which must bring him to the surface. It shall be permissible for a swimmer to be completely submerged.

FREESTYLE

- 1 Freestyle means that in an event so designated the competitor may swim any style, except that, in a medley relay or individual medley event, freestyle means any style other than backstroke, breaststroke or butterfly.
- 2 In freestyle turning and finishing, the swimmer can touch the wall with any part of his body. A hand touch is not obligatory.
- 3 Some part of the swimmer must break the surface of the water through-out the race, except it shall be permissible for swimmers to be completely submerged during the turn and for a distance of not more than 15 metres after the start and each turn.
