Term 2 - Firing up

Term 2 is shaping up to be an exciting term for SSWA! Our Interstate 18s Baseball and Tennis teams will travel to Canberra and Hobart for their National Championships. Rigorous trialling for our remaining interstate teams is well underway and several of our Champion Schools competitions kick into gear this term. And if all that isn't enough...We will be topping off the term with our annual SHS Country Week!

SENIOR HIGH SCHOOLS ULTIMATE CHAMPIONSHIP

This just in! Ultimate Frisbee is now an SSWA approved sport! We've partnered with WA Ultimate to *throw* this tournament and spread what a *catch* Ultimate Frisbee is to schools all across Perth.

Nominations are currently open for years 10-12 mixed gender 5-a-side teams.

Entry is **\$20** per team and the competition will run from **9.30am - 2.00pm** at **Yokine Reserve** on the **10th of May, 2024**.

If you wish to register or require more information please head to our dedicated '[Ultimate](#)' page on the [website](#).

SUNSMART CHAMPION SCHOOLS TENNIS CUP

Another year, another great competition! Did you know this particular event has been in operation since 1935?

The SunSmart Champion Schools Tennis Cup wrapped up earlier this month with a respectable increase over last year's participation numbers.

This annual event, run by Tennis West and SSWA, saw a total of 64 schools hosted, easily trumping last year's 55.

Overall, this equated to a whopping total of 167 secondary and 79 primary teams involved... That's a lot of tennis!

The Championship spans metro and regional areas alike, with competitions held across the Great Southern, Upper Great Southern, Central Districts, Eastern Districts and Southwest zones.

LIFE MEMBERS LUNCHEON

Each year SSWA hosts a luncheon in honour of our Life Members. It is a privilege to celebrate and thank those who have dedicated countless years to our organisation. Even now, after years of service, our Life Members continue their volunteering efforts and endeavour to support our organisation however necessary.

While no new Life Members were inducted this year, the annual luncheon was a great opportunity to reminisce, share and plan for the future.

We wouldn't be the organisation we are today without the tireless effort and support provided by these individuals. Their wisdom and knowledge continues to shape SSWA, and we would like to express our utmost gratitude for their service. We wish all Life Members another safe and wholesome year!
