### Term 1 Wrap Up

As always, Term 1 flew by with no shortage of activities for SSWA to divide its attention amongst. Whether that be 8 interschool swimming carnivals, a countless slew of Futsal and Tennis tournaments or hosting our AGM - we've been rather busy. Speaking of hosting, the National Triathlon we held in March in Rockingham was a great success! We're determined to carry this accomplishment into our hosting of the National Baseball 18s Tournament in Week 1 of Term 2.

## NATIONAL TRIATHLON/AQUATHLON

The **School Sport Australia National Triathlon/Aquathlon** took place in **Rockingham** from **March 24<sup>th</sup> -27<sup>th</sup>**. An unprecedented heatwave threatened to dampen race conditions, but all athletes displayed grit and determination to take the less than favourable hot spell into stride.

WA matched its 2024 overall result with **3<sup>rd</sup> place** but saw an impressive increase in the number of **individual and team medals**. Another highlight for SSWA was the addition of our first ever **multi-class athletes** in this field -congratulations to Zara and Tyler for their incredible performances.

This year SSWA also implemented a new event in the championship - **The All-Comers Aquathlon**, this addition aimed to provide an entryway for new and experienced Aquathletes who wished to compete on a nationally recognised course.

This is the second year in a row that SSWA has hosted the National Triathlon for SSA and once again the event was a huge success! Thank you to all those involved in this years championship - the Triathlon/Aquathlon continues to prove itself as an **incredible community experience** that rewards involvement and passion tenfold.

## CHAMPION SCHOOLS SWIMMING CARNIVALS

That's a wrap for another year on our **Champion School Swimming Carnivals**! This year we saw an increase in School participation amongst our existing divisions and even saw enough demand to create a brand-new regional carnival - The Claremont Regional School Sport Group.

The carnivals were held at Perth HPC (formerly HBF stadium) in a mix of indoor and outdoor carnivals and were **livestreamed** for the public from our [YouTube Channel](#). There was a substantial number of supporters that joined both in person and online to cheer on their respective schools and athletes.
