Champion Schools and Shield Competition

All schools have been placed in groups of four, five or six geographically wherever possible. On occasion a group of 3 or 7 may be necessary depending on the amount of nominated teams.

If 4, 5, 6 or 7 teams are rostered into a pool teams play each other only once.

If 3 or 4 teams are rostered into the pool, teams duplicate fixtures to allow teams to play twice in this phase, once home and once away.

The top performing schools based on group position, points per game average and goal difference, will move in the Champion Schools knockout competition. The remaining teams will move in the Shield Trophy knockout competition. Some better performing teams may be given a bye in the first round of Shield knockouts if numbers do not add up to 8 or 16 teams.

Information for the knockout finals in both Champion Schools and Shield Trophy will be issued at the conclusion of the round robin. Schools should be prepared to travel north or south of the river at this stage as fixtures dictate.

Regional Pennants

All schools have been placed in groups of three, four, five, six or seven based on regional locations location across a North/South and East/West divide.

During Term 2, each team will play in a round-robin competition to determine the group winner and in most cases the Regional Pennant Champion. If there are two groups in one region, then a play-off final will determine the champion with the home team selected on results from the group stages.

If 5, 6 or 7 teams are rostered into a pool teams play each other only once. The group winner will be determined at the end of the round robin fixtures.

If 3 or 4 teams are rostered into the pool, teams duplicate fixtures to allow teams to play twice in this phase, once home and once away. The group winner will be determined at the end of the round robin fixtures and will be required for a playoff final.

Regional Pennant winners will be invited to take part in the Shield competition knock out stages in Term 3.

All Competitions

Games are arranged by mutual agreement (see rules). It is preferred that fixtures sit within the weeks listed however if no option is available games can be outside the nominated weeks, however both teams must agree to this.

If you are the home team it is your responsibility to arrange the referee (See section on referees). Also contact the other coach and arrange the date (a choice of 3 dates to be provided by the home team), venue and time of

kick-off. Please also communicate on kit colours as a clash of shirts or socks may result in the appointed referee refusing to officiate the match. Away team will be expected to wear bibs if there is a clash.

Please be aware that even when a referee is requested there may not be enough available on that particular day. It is the home team's responsibility to make sure the game goes ahead in a supervised way. Be prepared to step in and do the job yourself if necessary.

DRESS STANDARDS

It is imperative that school teams are presented in the best possible way. The way the team looks is a reflection on the coach, the school and our competition.

Please make every attempt to have **numbered shirts** available to players. It is mandatory for all players to wear **shin pads and remove jewelry**. Please be aware that the referee's will not begin the game unless all players on the field are correctly attired.

26.3.2 2nd red card (same player), equates to a two (2) match day suspensions and so on.

- 26.4** If a player receives two yellow cards during the same match and therefore receives a red card, the two yellow cards are expunged from his or her record and only the red card is used against this player.
- 26.5** If a player receives a yellow card and then a direct red card in the same match, the yellow card will not be expunged and will be counted in the player's accumulation of yellow cards for the purposes of regulation 26.2.
- 26.6** A player maybe sent to sin-bin for a 5 minute period for dissent against a referee to align with the Football West Junior Competition. If a player is sent to sin-bin the player is not replaced on field. A second sin-bin offence in the same game will result in a yellow card, a third as a red card.

27. MATCH SUSPENSIONS

- 27.1** Suspensions incurred by players/ officials in terms of matches/games shall be served in consecutive fixtured rounds in the competition in which the suspension occurred. Suspensions will carry over to the subsequent season/s. if they fail to be fulfilled in any one year.

- 27.6** This player/official is not to be used in any other capacity as Player, Coach, School Referee, School Assistant Referee or Ground Official until the suspension has been served.
- 27.7** In the event of a suspension the match referee shall immediately following the game:

Schools Referees

To request a Football West referee for an upcoming fixture, please click [here](#).

***DO NOT REQUEST REFEREES FOR AWAY GAMES AS IT IS THE HOME TEAMS RESPONSIBILITY (THIS ALSO PREVENTS THE POSSIBILITY OF DOUBLE BOOKING)**

Football West will contact you if a referee has not been allocated. There will be no allocation page to check so assume you have one unless contacted. If you need to cancel a referee please give at least 1 hour notice and contact Emily on 0492 854 187 or

Emily.Funston@footballwest.com.au

If a referee has not been allocated you will need to make arrangements yourself to have someone available to act as referee.

IMPORTANT DETAILS

- In all competitions both teams will be responsible for paying **\$30.00** each for the **Referees match fee** payable to the Referee on the day before the start of the fixture. **"PLEASE DO NOT FORGET"**.
- If you have booked a Football West Referee, do not kick off until the indicated time of the fixture. If you kick off the game and the referee then arrives to find the game in progress you will be charged the referees fee.
- If you have booked a Football West Referee, and the game is then forfeited or cancelled the Referees allocator must be notified no later than 1 hour prior to kick off.
- In the event that a school has to be invoiced, the invoice will be sent to the Home team school as this is the nominated school charged with arranging the booking it would then be up to that school to arrange any reimbursement if they are not at fault.
