1. Educational purpose of excursion ☒
The proposed excursion has a clear educational purpose in the context of the syllabuses of the K-10 Western Australian Curriculum and/or senior secondary WACE courses / programs.

Details: The excursion adds value to the school sport program allowing selected students an opportunity to compete at an elite level. Included in the program is an educational experience where students can encounter local history and culture.

2. Educational benefit of excursion ☒
The excursion will significantly enhance student outcomes and achievement in a manner that cannot be done in the classroom/school environment.

Details: As a result of this excursion, it is expected that students will develop:

- Skills and understanding necessary for them to compete at the next level
- Leadership skills that enable them to participate in a team environment
- Awareness of social and cultural differences

3. Venue/site for the excursion ☒
The venue or site for the excursion is suitable for the student group

Details:

	Name of Venue	Address	Phone No

4. Risk Assessment ☒
The risk management plan covers proposed alternative arrangements in circumstances where part of the excursion or any activities scheduled for the excursion are unable to proceed.

The risk assessment considers and documents: the number of students, their age range, and the students' experience, capacity and behaviour.

- ☐ the excursion venue/site and any potential hazards and risks associated with the proposed activities at that venue.
- ☐ the method of transport to the excursion venue and all activities.
- ☐ issues that might arise due to the length of time of the excursion and/or possible weather events.
- ☐ additional risks and supervisory requirements associated outdoor education and recreation activities and strategies for student safety in accordance with *Outdoor Education and Recreation Activities for Public Schools Policy (2019)*;
- ☐ additional risks and supervisory requirements associated with land-based recreational activities.

☐ any medical or behavioural conditions that need to be managed; and ☐ any special clothing or required items that should be taken on the excursion by students and supervisors.					
5. Approvals All approvals as required, and from principals of any other schools attended by participating students, have been obtained.					☒
Details: All approval forms are held by SSWA					
6. Students' capacity Participating students have the capacity to undertake the excursion as evidenced by the student health care plans and information.					☒
Details: Team members have been selected as sporting representatives according to the published team selection policy, their skill level and attitude, and have been identified as the best students available to represent the State. Information relating to the team member's health is required from parents. Students' fitness and health is monitored throughout training and competition and if there are any concerns, medical attention is sought.					
7. Supervisory Team An appropriately qualified supervisor, a suitable supervisory team, supervision strategies and a system for identifying excursion participants, have been established. Supervision strategies have been established with the supervisory team. Systems for identifying excursion participants have been established.					☒
Details: The supervisory team has been appointed in recognition of their expertise in the sport as well as being familiar with DOE and SSWA rules and guidelines for a student touring team. All teacher team officials have current TRB membership and hold a current WWC card. Officials who are not registered teachers hold a current WWC card. Officials are aware and accept that they are required to be on duty for the duration of the excursion. For Swimming and Diving, appropriate recognised qualifications are held as described in the Recreation and Outdoor Ed Activities in Public School Procedures. Gender balance is considered when appointing officials. Each state team will have a minimum of one official to every ten students and teams may at times be allocated additional officials. A minimum of three officials travel with each team and mixed gender teams will have mixed gender officials. Students will generally be under the direct supervision of team officials. However, there may be occasions such as visiting a shopping centre or in accommodation settings where this may not be possible. On such occasions specific risk management strategies including remaining in small groups, mobile phone contact, check points and room checks will be implemented.
