

DHS COUNTRY WEEK 2025 BULLETIN 3

Fixtures

Fixtures have been marked as final on the website.

Country Week Results

Fixtures are marked as final. Access to results throughout the week can be done through a QR code that will be placed around the venues and will be sent out to School Coordinators. We are no longer using Jaro and the new results format is not through an app. Further information will be given at the School Coordinators' meeting next Thursday.

Post-Country Week Coordinators Meeting

A post-Country Week Coordinators meeting will be held on Wednesday 15 October via WebEx starting at 3.30pm. It is important that at least one representative (preferably the CW Coordinator) from each school be present at this meeting. A meeting invite will be sent after the week is complete.

Country Week Survey

Once the week is done and dusted, please complete the DHS Country Week Online Survey while the week's events are still fresh in your mind. This can be accessed through the DHS Country Week webpage or using the link below. Ideally, if this could be done prior to post Country Week Coordinators Meeting.

School Official's Handbook

I will send a copy of this booklet on Monday 15 September for you to print if you like to or you can use the link to access the Flipbook version. Make sure that you bookmark it once you have opened it in order to readily access the booklet without having to open it again using the link. Once sent if you have any issues accessing this booklet, please let me know ASAP.

Communication During Country Week

I will be setting up a **WhatsApp** group for School Country Week Coordinators. This group will be the main communication tool to be used throughout the week. Any general issues will be disseminated using this app. Any major / urgent issues please don't hesitate to give me a call. If the call goes to message bank please leave a message and I will return your call as soon as possible. Alternatively, please feel free to contact any of the other SSWA office staff (contacts found in the handbook).

Bona Fides

Thank you to the schools who have already sent in their Bona Fides. We are waiting on five schools to send these through. If there are any changes / updates required, please see the relevant Sport Coordinator on the Monday morning upon arrival at the venue. The Sport Coordinators will have a copy of the Bona Fides with them.

Opening Ceremony

If you are running late for the Opening Ceremony, please keep me informed either through the WhatsApp group chat or send me a text message. We will have event officials to assist with directing schools into the stands. The procedure for seating schools will be as follows: Firstly, schools to fill the grandstand on the right as they come into the Court 1 area. Once the grandstand is full schools will be directed over to the retractable seating on the Western side of Court 1. Once this area is full, the remaining schools will be directed to sit on Court 1 facing the Northern end of the court.

Active Achievers

Thank you to the schools that have sent in their Active Achiever nominations. Those who haven't sent in their Active Achievers please do so as soon as you can. 7 schools have currently informed us of their Active Achievers.

On the morning of the Opening Ceremony please have your Active Achievers sit on the seat allocated to them on Court 1. A certificate will be on the seat that has their name on it. These seats will be set up at the Northern end on Court 1. An SSWA staff member will be around to assist students if they are unable to locate their seat.

School Captains

We ask that the School Captains meet on Court 3 and make themselves known to the SSWA Event Official, who will be located in this area. They will be lined up in the order ready to enter once they are called. They are to follow the instructions given prior to entering Court 1.

Trophy / Shield Returns

We ask that the Team Captains from the schools that are returning these 'A' Division trophies / shields to have them with them ready to return when announced. They are to sit in seating allocated on the Eastern side of Court 1. Again we will have a designated SSWA staff member available to assist. At the appropriate time they will be asked to come forward and handover the awards. Once they have handed these over they may return to sit with their school or back to where they were originally seated. If a School Captain is also the designated Team Captain returning a trophy / shield then they will sit where the School Captains sit and return to this spot also.
