SPORTS CO-ORDINATORS INFORMATION

Carnival Co-ordinator – Jason Reid

Start of Carnival

- Ensure that the playing grounds are safe (Nets/post covers etc have been put in place)
- Place on display a copy of fixtures and the results sheet for each grade.
- Before first fixture have a quick meeting with all Teachers in Charge of your sport. Please introduce yourself as contact person for the day, outline to them how the day will run, ensure they all have supplied umpires, point out emergency exits, and let them know what happens if there is a serious injury (see below)

During the Carnival

- All fixtures are centrally timed – sound horn/buzzer to start/stop games
- I will drop ice off at the start of the day
- Winning team to return score sheet to you – update results sheet.
- Points are allocated as follows; 3 points for a win, 2 for a draw and 1 for a loss.
- Where finals are played you will need to work out final placings and final fixtures and place on display

- All schools should have their own first Aid kit for minor injuries – Ice has been supplied at all venues.
- All students, staff and parents are expected to display good sportsmanship throughout the carnival– If there is any serious breach of sportsmanship (physical abuse, racial vilification etc) the player can be removed from participating for the rest of the carnival. If this happens please work with the teacher in charge and ring me if you are unsure how to proceed. For any incidents (injury or behaviour) please complete an Incident Report and give to Jason Reid at the conclusion of the day. (Incident Reports are in your file)

End of Day

- There will be no presentations held at the end of the day.
- During the last couple of fixtures please encourage schools to do a big clean up of the venue and help tidy up – if equipment/goal post pads/nets need to be taken down get the last teams playing to do these jobs so you are not left with it at the end of the day
- Please ensure that everything is neat and tidy before you leave.

Duty of Care Provisions

When unacceptable behaviour occurs during SWSSA events, contravening the Codes of Behaviour, and is considered serious enough to warrant immediate and/or further action, the following procedures would occur:

- Any serious breach of the Codes of Behaviour on the day of a carnival should be reported to the Sports Co-ordinator at the venue ASAP. The sports co-ordinator, in liaison with the relevant school's TIC at the venue, will investigate the incident and determine an appropriate course of action.
- Courses of action **could** include:
- Dealing with the incident on the spot
- Suspending the student from further participation in the event – Advising the Phys Ed HOLA and Principal of the student's school – Sending the student home at the expense of the parents.
- If the incident was deemed serious enough to suspend the student from participation for the remainder of the event, the sports co-ordinator would make contact with the Carnival Coordinator ASAP. The Carnival Co-ordinator would then contact the School's HOLA to arrange parent/school contact.
- At the conclusion of the event, sports co-ordinators and/or schools should submit an incident report form (available at carnivals or on the SSWA website) to the Carnival Co-ordinator for any serious incidents that occurred at the carnival, or any issues that arose during the day that were not dealt with.
- Following a carnival, the SWSSA Management Committee reserves the right to recommend to its member schools any further disciplinary action it feels may be warranted.

Examples of Serious Breaches of Inappropriate Student Behaviour that would warrant further action:

- Having or using Alcohol or other illegal drugs or substances
- Smoking
- Sexual harassment
- Vandalism or other criminal offences
- Swearing or verbally abusing officials or opposition players.
- Physical violence towards others
- Harassment or vilification of others
- Refusing to comply with instructions
- Poor sportsmanship or cheating

St. Johns' Ambulance has been notified of the event.

The Sport Coordinator has access to a telephone and has contact numbers for local practitioners, including ambulance. Should the need arise all venue managers will consider medical problems a priority.
