2025 PRESIDENT'S REPORT

The AGM will mark the 10th Anniversary of my role as President of your association, School Sport W.A. and as usual it has given me great pride to represent you all at various functions, forums and events. I will remind everyone of our mission statement "Providing Quality Sporting Opportunities to students in Western Australian Schools", and I believe we have done a sterling job in reaching for that goal over the 12 months that this report covers. This has been achieved by an enormous number of workers and volunteers who give of their time and expertise for the benefit of young people in our care and I thank you all on behalf of the schools, the students and their parents.

It would be fair to say that 2025 has been a year of turmoil within and outside of our association. The Standards and Integrity Investigation, starting in October, has robbed us of all three of our DoE allocated staff and has left a huge void in terms of intellectual knowledge and experience. We managed to soldier on and complete our major events in the last months of 2025 due to the diligence and forward planning of those same three staff members with assistance from our own staff and the staff who have back filled for those missing.

Concurrent with the investigation we were negotiating with DoE for a 1-year Grant Agreement extension to our previous 18-month extension. This was not finalized until the middle of January 2026. It is important for members to understand where we are contractually. In April 2024 we were asked by DoE to accept an 18-month extension to our 2019-2024 5-year Service Agreement. This was ostensibly, we were told, to allow DoE time to put together a tender document OR have SSWA declared a sole provider and move forward from there.

Eventually neither of those two options occurred and DoE asked us in mid-2025 to consider, what has amounted to yet another 12-month extension, in the form of a 1-year Grant Agreement. The downside of course is that we have no long-term security, and this inhibits forward planning. I have not been given any explanation as to why we did not receive a tender document or a longer agreement.

During the year SSWA were asked to separate their ICT systems from the department. This involved moving our entire drives, storage, phone systems and finance away from the DoE systems. We have had to bring our own internet connection into Tuart College. We have had to purchase new hardware and software. This was a very expensive and time-consuming exercise costing in the range of $50,000 and likely ongoing costs for licences, virus protection etc of approximately $10,000 per annum. The work done on this by Cam Pollock and Wayne Baseden should be acknowledged.

On your behalf I attended and chaired 7 board meetings held throughout the year and the School Sport Australia Conference in Kiama, NSW, 1st – 3rd Dec. I also attended several contract meetings with DoE upline throughout the course of the year.

Interschool Events:
Several of our events have seen growth once again and I have been privileged to attend many of our flagship events most of which have been on our calendar for many years and continue to thrive. The Senior and District High Schools Country Week events, the Swimming and Athletics Carnivals, the Primary and Secondary Cross Country and the Primary and Secondary Triathlon were a pleasure to attend.

Our SSWA. interschool officials do a fantastic job, and a big shout out goes to our special bunch of semi-retired unattached teachers who return and officiate at so many events. Because of this the quality of our events is maintained at a particularly high level. We have calculated that SSWA conducted 150 events in the calendar year for 2025.

The Interstate Scene:
Congratulations to all our interstate teams and the staff that accompanied them on a series of well conducted and supervised events throughout the year. Our athletes and staff have once again enhanced the reputation of SSWA due to the behaviour, sportsmanship and performance of our teams and individuals.

"The School Sport Australia Games", multi-sport format continued into 2025. The Secondary Games were held at

the South Pines Sports Complex in Moreton Bay, Brisbane, 25th July – 2nd Oct, and included Swimming, Diving, Australian Football, Basketball, Netball, Football, Golf and Lawn Bowls. The 12/U Games were held in Ballarat, Victoria 25th Oct – 31st Oct and I was fortunate to attend as the Chef de Mission on behalf of SSWA. The sports included were Swimming, Cricket, Football, Tennis, Touch 12's and 15's, Softball, Golf and Netball. Sports not included in the multi-sport formats continued to be hosted by various states and territories on rotation as they have done previously.

Congratulations:
Congratulations to all teams who represented Western Australia at School Sport Australia Championships. We had many particularly successful teams throughout the 2025 interstate offerings.

- A Gold medal was awarded to our 12's Boys Golf,
- Silver Medals to the 12's Boys AFL, Boys Baseball, 16's Boys Basketball, 18/U Girls Football, 12's Girls Golf, 12's Boys and Girls Tennis.
- Bronze medals were presented to the 12's Girls AFL, 15's Boys AFL, 12's Boys Basketball, 12's Boys Cricket, 15's Boys Cricket, 15's Boys Netball, 18's Boys and Girls Tennis, 12's Girls, 12's Boys, 15's Boys all in Touch Football and the Triathlon/Aquathlon Team.
- In the secondary competitions we had more than 30 student athletes selected in "All Australian Squads", what a fantastic effort.

In 2025 School Sport WA prepared and supported 42 interstate teams who participated in School Sport Australia National Championships, of these teams 19 of them managed to win a gold, silver or bronze medal and that is 41% of our teams. It must be said that we have had a very successful year. All teams however should be congratulated on their performance, sportsmanship and efforts and enhancing the reputation of School Sport Western Australia at the national level.

Our 2025 hosting's were the Boys Baseball successfully conducted at the Thornlie Ball Park, feedback from the event was positive. Also, the National Triathlon championships held once again in Rockingham, where SSWA has hosted two years in a row. Our thanks to Race Director Stuart Denton and his crew for the great work done on our behalf. SSWA prides itself on the quality of our events and the two events have.

School Sport Australia Service Awards:
Big thanks and congratulations to the following interstate officials who were presented with School Sport Australia Service Awards in 2025.

- Andre Gauci, Touch Football
- Tony Campbell, Football
- Sam Carvicchio, Australian Football and
- Scott Ogilvie for Cricket.

Well done to you all.

The Office:
As usual the office has been particularly busy, and I would like to acknowledge and thank the office staff of Jess Rolfe, Emma Russell, Cam Pollock, Hayley Smith (on maternity leave from October), Stacy Fleming, Alex McLennan, Robyn Brierley-Scott and Peter Smith. Thank you to you all for the hard work and professionalism shown throughout the year.

Teachers Games:
Unfortunately, the "Teachers Games", did not continue in 2025. SSWA did request assistance from DoE for this event as we considered we were unable to organize the event with the resources we had at our disposal. DoE chose not to offer any assistance until very late in the year and at that point it was too late from an organisational point of view. As I write my report, I cannot give any update for 2026 and beyond.

Conclusion:
The number of schools and individuals accessing our program of events at domestic and inter-state level continues to expand exponentially. We have seen particularly strong growth in Basketball, Volleyball and Futsal. All of this

coupled with more sports wanting to come onto the SSWA calendar of events and the continued growth of offerings at the National Championship levels provides us with both an opportunity and a challenge.

Growth in the South-West regional zone has continued under the guidance of our officer Jason Reid. I would like to acknowledge the tremendous work that Jason is doing as he continues to expand the number of schools accessing the sporting opportunities in the South-West and expanding the number of offerings available.

As usual, we must continue to attract committed teachers into our ranks in order to manage the growth we are seeing. Please make every attempt to recruit and retain people in your areas of interest. I would like to encourage extra committed teachers to consider joining our board at some point in the future.

I would like to thank the Department of Education for their continued support of our association.

Financially we are in a sound position moving into 2026, particular thanks to Mr Wayne Baseden for the work he has done on our accounts and with the finance staff in the office. My thanks go to our two Vice Presidents, Mr Kelvin Browner (Secondary) and Mrs Narelle Brierley-Scott (Primary – Up until October 2025) for being such fantastic support to me when required throughout the last twelve months. Thanks also to my fellow board members who provide a continued direction for our association and devote many hours both for the collective and for the sports with which they are associated. Welcome particularly to new board member, Rolanda Geneff, who joined us in 2025.

PETER RICKERS
PRESIDENT

2025 SCHOOL SPORT MANAGER'S REPORT

It is my pleasure, as Manager of School Sport, to formally acknowledge and congratulate School Sport Western Australia on the successful delivery of its 2025 calendar of events.

Throughout the year, SSWA has once again demonstrated its unwavering commitment to providing high-quality sporting opportunities for school students across Western Australia. The breadth and professionalism of the competitions and programs delivered have ensured that thousands of students were afforded the opportunity to represent their schools, regions and state with pride, develop their skills, and experience the many personal benefits that school sport provides.

The positive outcomes extend well beyond the field of play. Through participation in SSWA events, students have strengthened their resilience, teamwork, leadership, and sense of belonging. Families and school communities have also benefited from the inclusive and well-organised environments that continue to characterise SSWA competitions. These events play an important role in building connected communities and promoting healthy, active lifestyles for young people throughout our state.

I would like to acknowledge the dedication of the Board, staff, sport coordinators, team officials, and volunteers whose collective efforts underpin this success. The consistent delivery of safe, equitable, and well-managed events reflects a strong governance framework and a shared commitment to excellence in school sport.
Looking ahead to 2026, I am optimistic about what can be achieved through continued collaboration and a shared focus on student-centred outcomes. There are significant opportunities to further enhance participation pathways, strengthen operational efficiencies, and continue promoting inclusive practices that ensure every student has access to meaningful sporting experiences.
I look forward to working together with my team, to build on this strong foundation and to supporting SSWA in delivering another outstanding year of school sport for Western Australian students and families.

GEOFF HAYES
MANAGER

2025 SECONDARY MANAGEMENT COMMITTEE REPORT

2025 proved to be the most challenging year that SSWA has faced in its history. The temporary removal of our long-standing SSWA Manager and our 2 x Executive Officers, closely followed by the removal of a further Executive Officer who was placed in the office as backfill, caused a disruption to the operations of School Sport WA that are still reverberating. This, along with the removal of our long-standing SSWA Treasurer, ensured that 2025 was a year to remember.

2025 was the final year of our Funding Agreement with DOE and the negotiations with DOE for a one-year agreement extension for 2026 was both prolonged and frustrating, resulting in the SSWA office closing for 2025 with no guarantee of sport in schools resuming in 2026. Fortunately, negotiations with DOE were concluded successfully by the end of the holidays, and it was business as usual in schools when school returned for 2026. Unfortunately, the start of school in 2026 also saw our SSWA Media and IT staff member, Cam Pollock, return to Canada with his partner, who could not get her Visa renewed.

On behalf of the Management and Executive of SSWA, I would like to thank our office staff members – Emma Russell, Jess Rolfe and Cam – who took on ever increasing workloads to ensure the success of SSWA and our events. Without their dedication and professionalism, SSWA would certainly be in dire straits.

I would also like to extend my thanks to the hard-working coaches, managers, and mentors in schools across Western Australia for their dedication to their students, and for ensuring that their school teams were well prepared for our competitions and carnivals. The number of students actively engaged in sport again, was exciting to see.

Country Week and District High Schools Country Week numbers continued to rise. The competition in both events showcased sport and cultural activities involving schools from across the state and out to Christmas Island. I would like to thank all school administrators and teachers involved in both events for their dedication, energy, enthusiasm and tireless efforts in making the events so successful. I also congratulate the SSWA staff who were so pro-active in the organisation and management of both Senior High Schools and District High Schools Country Weeks. These events do not happen without your support and dedication.

In 2025, SSWA hosted the Triathlon and Baseball National Championships. Again, I would like to thank our Executive Officers and office staff for the way they organised, managed, and conducted these showcase events. Teams from SSWA also participated in the latest iteration Festival of Sport conducted by School Sport Australia. Congratulations to all our teams along with their coaches, managers and support staff for representing SSWA with distinction.

Unfortunately, with the disruptions in the SSWA office, the Teachers' Games, held in Mandurah during the October school holidays, were cancelled. This caused quite a bit of distress and concern in schools across the state, as teachers were looking forward to this event. The Games have traditionally been a boost to the mental health and camaraderie of the hard-working teachers across WA who looked forward to spending quality time with their colleagues.

I would like to pay tribute to the professionalism and dedication of our President, Pete Rickers, for his outstanding devotion and dedication to the SSWA cause. Finally, thank our Finance staff – Hayley Smith, Stacey Fleming and Shyleen Mpofu – for the outstanding job they have done in trying times to keep SSWA afloat.

KELVIN BROWNER
SECONDARY VICE PRESIDENT

2025 PRIMARY MANAGEMENT COMMITTEE REPORT

It has been another outstanding year for the younger age groups across all sporting activities provided by School Sport WA.

Once again, we saw strong participation in all Primary interschool sporting events. We would like to extend my gratitude to the Sport Coordinators for their dedication in promoting and organising these events, as well as to the teachers for their hard work in planning and preparing students for these competitions. Basketball and Football (Soccer) saw a high number of competitors and teams in their respective events. Futsal continued to take over the world with a record 48 teams competing. Much kudos must go to the ever-passionate Tony Carvajal for his hard work in coordinating the 3 regional events and the boys' and girls' State Championships.

We ran 3 primary interschool swimming carnivals on separate days with the Claremont Regional Group joining for the first time. Along with the Churchlands Network and the historical Black & Gold group a total of 34 schools enjoyed the experience of competing at SSWA exceptionally well-run carnival. The ever-popular Primary Cross-Country Championships found a new course at the expansive Yokine Reserve which was well received and the Primary Triathlon at Champion Lakes Regatta Centre continued to attract many schools many of which were giving their students a first experience of team and individual triathlon and/or Aquathlon experience.

Building on the success of the Primary Track and Field Carnival the 2025 event saw great participation. The level of competition was excellent, with athletes competing under the lights at the UWA Little Athletics Club. We look forward to further strengthening our partnership with Little Athletics and expanding the range of events offered.

The 12 Year and Under Interstate Teams delivered exceptional performances and represented the black swan with great pride. A particular highlight was the large number of aquathlon athletes who competed in the championship held at the Rockingham foreshore in March. In Golf, our Boys Nett Ambrose team took home a gold medal, while the Girls team earned silver. Medals were also won in a variety of sports, including Australian Football (Girls 2nd and Boys 3rd), Cricket (Boys 3rd), Basketball (Boys 3rd) and the Bruce Cup Tennis Team took out the silver medal.

A highlight is the growing number of student officials attending Interstate Championships. It is truly inspiring to see umpires and referees develop their skills alongside the athletes. Supporting students in their sporting journeys is something we're eager to continue expanding, and I encourage more student officials to seize the opportunity to join the School Sport WA team.

The Primary Management Committee of John Lawniczac, Clayton Bird, Royce Puccinelli, Daryl Mansfield, and Tony Carvajal worked together to support Primary Sport throughout the year. Much thanks to Peter Della Vedova and Lorraine Feddema who came on board in the later part of 2025. Our sincere appreciation goes to the School Sport WA office team lead by Emma Russell. Emma, along with Jess Rolfe, Stacy Fleming, Hayley Smith, Shyleen Mpofu and Cam Pollock deserve recognition for their hard work and dedication in what was a trying year for the team.

Looking ahead to 2026 we're eager to offer even more exceptional sporting opportunities for our Primary students. I'm excited to watch our athletes and student officials, strive for personal excellence and proudly represent our state.

Special Purpose Financial Statements

For the year ended 31 December 2025

STATEMENT BY THE BOARD

The Board Members of School Sport Western Australia Inc (SSWA) have determined that SSWA is not a reporting entity, and that this special purpose financial report should be prepared in accordance with the policies outlined in the Notes to the Financial Statements.

In the opinion of the of the Board, the accompanying financial reports:

1. (a) The financial statements and notes are in accordance with Part S of the Associations Incorporation Act 2015; and
   (b) The accompanying Statement of Income and Expenditure gives a true and fair view of the deficit of SSWA for the year; and
   (c) The accompanying Statement of Financial Position gives a true and fair view of the state of affairs of SSWA as at 31 December 2025.

2. At the date of the statement there are reasonable grounds to believe that SSWA will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed by and on behalf of the Board by:

President - Peter Rickers

Treasurer - Wayne Baseden

INDEPENDENT AUDIT REPORT

TO THE MEMBERS OF SCHOOL SPORT WESTERN AUSTRALIA (INC)

25 March 2026

TO THE MEMBERS SCHOOL SPORT WESTERN AUSTRALIA (INC)

We have audited the financial statements of School Sport Western Australia (INC) (The Association) for the year ended 31 December 2025.

The Association's Board is responsible for the preparation of the special purpose financial statements. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the Association. The Board's responsibility also includes such internal control as the Board determines necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

The audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all materials respects the financial statements are presented fairly in accordance with Australian Accounting Standards so as to present a view of the Association which is consistent with our understanding of its financial position and the results of its operations.

The Audit opinion expressed in this report has been formed on the above basis.

INDEPENDENCE

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

AUDIT OPINION

In our opinion, the financial statements present fairly the financial position of School Sport Western Australia {INC) as at 31 December 2025 and the results of its operations for the year ended 31 December 2025 in accordance with applicable Accounting Standards to the extent described in Note 1.
In addition;

a. The financial statements satisfy the requirements of Part 5 of the Associations Incorporation Act 2015;
b. We have been given all information, explanations and assistance necessary for the conduct of the Audit;

CHARTERED ACCOUNTANTS™

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Summary of Accounting Policies

The School Sport Western Australia Inc (SSWA) is not a reporting entity because, in the Board's opinion, there are unlikely to exist users of the accounts who are dependent on general purpose financial reports of SSWA for information. This financial report therefore is a "Special Purpose Financial Report". It has been drawn up so as to comply with SSWA's rules and so as to provide information by the members.

Statement of compliance

The special purpose financial report has been prepared so as to comply with SSWA's rules to provide information required by members and on the basis of accounting requirements specified by all accounting standards and interpretations, and the disclosure requirements of below accounting standards;

AASB 101 - Presentation of Financial Statements; and
AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors

SSWA was registered under the Associations Incorporation Act 2015 (previously Associations Incorporation Act 1987) on 20 June 1989.

Basis of Preparation

The financial report has been prepared on the basis of historical cost. There has been no revaluation of assets.

(a) Revenue and other income

Revenue comprises of government grants, income received from participants in school activities and other miscellaneous income.

Government grants

SSWA's school programs are supported by grants received from the Department of Education.

Government grants are not recognised until there is reasonable assurance that SSWA will comply with the conditions attaching to them and that the grants will be received. Government grants are recognised in profit or loss on a systematic basis over the periods in which the SSWA recognises as expenses the related costs for which the grants are intended to compensate.

Income from sports activities

Income from school sport events are recognised upon performance of the event.

Interest and other income

All the other income is recognised once the entitlement to receive such income is established.

(b) Tax and GST

School Sport Western Australia (Inc) is an income tax exempt body.

SSWA was registered for GST on 1 July 2000.

The Net amount of Goods and Services Tax and GST recoverable from or payable to the Australian Taxation Office is included as a current asset or liability in the Balance Sheet.

Revenue, Expenses and Assets are recognized net of GST.

(c) Employee entitlements

The amounts expected to be paid to employees for their pro-rata entitlement to long service leave and annual leave are accrued annually at current pay rates.

Note 2 - Related Parties

SSWA office consists of seven employees, three of which are employed by the Department of Education and four are employed by the association.

Further Department of Education provides premises rent-free, pays for rates, electricity, postage, water and other miscellaneous services.

SSWA has decided to adopt the policy option not to recognise above services received. Accordingly, no amounts are recognised in the financial statements.
